High Wind Flags

400 denier DuPont 100% nylon tube-style flag. Sewn with double stitched hems with corner bar-tack reinforced construction for long lasting durability and less tear behind the stitching hem in strong wind conditions. Maximum fade and mildew resistance. Tube-style flags sewn on an injection molded tube for superior strength and durability. Available in Red, White, Blue. **set of 9!**
Some Left at \$99 +gst +courier

R&R 5 Pint Ball Washers feature cast aluminium bodies and lids powder painted in a rainbow of brilliant and durable colours. The ball travels in a high-impact plastic spiral cleaning agitator through stiff bristles on a special flexible PVC inner brush designed to avoid deterioration in detergents and water. The cast aluminium lid assembly is mounted with strong 3/8" teflon coated set screws, included to resist corrosion and allow greater grip during installation and easy removal. A single front towel clip is included for convenient use by any golfer. R&R Ball Washers can also be personalized! Add the finishing touch of your course logo on the front of every ball washer for \$45 for a set of 18, 3 inch durable stickers .
